### Airport to Campus Transportation Request Form

2011/2012

In the beginning of each Semester, the European University of Lefke provides to freshman students free of charge transportation from either the ERCAN Airport or the Girne Seaport (***please check our website on a daily basis to see which days of the week or whether a free of charge transportation is available at the time***). Accordingly, if you require the university to pick you up from the airport or the seaport, your complete flight/travel details must be faxed to the International Office at least three days in advance of your expected arrival. Please complete the flight and arrival details at the bottom of this form, and fax or email to (+90) 392 727 75 72 / [admissions@eul.edu.tr](mailto:admissions@eul.edu.tr) .

If there is no free-of-charge transportation provided by the European University of Lefke at the date of your arrival then you can take the Airport Shuttle Service (KIBHAS) to get to the University. Please log on to our website and download the Shuttle Service Schedule at <http://www.eul.edu.tr/document/kibhaseng.pdf>. For your information, the KIBHAS Airport Shuttle Service costs approximately \$10 US Dollars.

For your information, Ercan Airport is an hour drive from campus. A taxi to EUL will cost approximately 60 - 80 US Dollars depending on your arrival time. As for Girne Seaport, it is about a 50-minutes drive from campus and a taxi to the campus will cost approximately 55-65 US Dollars, depending on the arrival time. If you arrive late at night you will have to call the dorm supervisor to open the door for you. The late night telephone number for the Night Supervisor is as follows:
