INTERNATIONAL EVALUATION

QS - QUACQUARELLI SYMONDS

QS (Quacquarelli Symonds) is a UK-based internationally recognized organization that ranks higher education institutions worldwide and provides an in-depth audit service, offering insights into institutional strengths and weaknesses. QS Stars evaluation service provides a detailed analysis of various aspects that define a modern and globally competitive university. The QS audit process assesses universities based on multiple parameters significant to higher education and publicly announces the results.

According to the QS Stars university evaluation results announced for 2019, the European University of Lefke (EUL) received a full 5-star rating from QS in five key parameters: 'Teaching', 'Inclusiveness', 'Employability', 'Facilities' and 'Social Responsibility.'

In the 2022 QS Stars university evaluation results, EUL achieved the full 5-star rating across all eight evaluation parameters, further solidifying its international prestige. The university earned the highest score in the following categories: 'Teaching', 'Employability', 'Internationalisation', 'Academic Development', 'Facilities', 'Social Responsibility,' 'Specialist Criteria: Engineering-Electrical & Electronic' and 'Inclusiveness,' marking a significant achievement.

European University of Lefke

The QS Intelligence Unit has, through rigorous and independent data collection and analysis of performance metrics as set out in the QS Stars™ methodology, rated European University of Lefke as a Three Stars institution.

The QS Stars™ rating system is operated by the QS Intelligence Unit, the independent compiler of the QS World University Rankings® since 2004. The system evaluates universities across a wide range of important performance indicators as set against pre-established international standards. By covering a broader range of criteria than any world ranking exercise, QS Stars™ shines a light on both the excellence and the diversity of the rated institution.

Dear Sir,

ACCREDITATION OF UNDERGRADUATE ENGINEERING PROGRAMMES

I write to convey the approval of the Council for the Regulation of Engineering in Nigeria (COREN), on the accreditation visitation to the Undergraduate Engineering Programmes of your Institution from **25th – 30th March, 2018** as follows:

S/N	Programme	Accreditation Status	Validity period
1.	Civil Engineering	Full Accreditation	March 2018 – March 2023
2.	Software Engineering	Full Accreditation	March 2018 – March 2023
3.	Electrical/Electronics Engineering	Full Accreditation	March 2018 – March 2023
4.	Computer Engineering	Full Accreditation	March 2018 – March 2023
5.	Electronics/Communication Engineering	Full Accreditation	March 2018 – March 2023

The effective date of the accreditation is **30th March, 2018**. It is necessary to point out that Full Accreditation is valid for 5 (Five) years.

There will be random visits to the University within the period of validity to check on the state of facilities. Accreditation may be withdrawn if there is clear evidence of falling standard.

I therefore strongly advise for strict compliance with the recommendations highlighted at the exit meeting with the University to ensure that the standards are not only maintained but improved upon.

In the meantime, kindly accept the assurances of my highest esteem.
